2. Scope of Services

- Tenant provisioning: extensions, call queues, auto attendants, routing rules.
- Number porting coordination and cutover planning.
- Client apps: softphones and mobile apps for end users.
- Optional: voicemail-to-email, call recording, compliance features (as selected).
- Ongoing administration: user changes and routing adjustments.
- Optional: collaboration integrations where supported.

3. Deliverables & Reporting

- UCaaS configuration summary and call flow documentation.
- Porting plan and completion confirmation.
- Admin training for Client's designated telecom admin(s).

4. Client Responsibilities

- Client provides current carrier account details and LOA requirements for porting.
- Client confirms call flows and business hours prior to cutover.

5. Exclusions / Out of Scope

- Carrier delays outside Digerati control.
- On-site wiring/handset installation unless separately quoted.

6. Term, Changes, and Acceptance

This SOW begins on the Effective Date and continues for the selected term. Carrier taxes/surcharges may apply and will be itemized.

6.1 Acceptance Criteria

- Successful test calls and validation of primary call flows post cutover.
- Admin access delivered to Client's designated telecom admin.
